

Hopscotch Pre-school

Spring 2 Newsletter

Spring is in the air!

Welcome back, this half term we will be learning all about the topic 'Spring'. Within this we will be exploring and learning about:

- plants and flowers
- animals
- weather
- Easter.

Important dates

1st March - Outdoor Adventures restart.

4th - 7th March - World Book Week - Please bring along your child's favourite book or dress up as a character from a book.

5th April - School Easter Fayre, 3:15pm.

12th April - Wick Care Farm visit.

Last day of term.

29th April - Return to pre-school

We have lots of exciting things already planned for the children, from growing cress and broad beans to exploring nature in our local area. In Outdoor Adventures sessions will link with our topic and there are some fantastic activities planned.

Thank you to the parents and carers that have offered help with fundraising events and supporting pre-school, I hope to host an event this term.

On the 12th April Outdoor Adventures will take place at Wick Care Farm, details to follow. This will be a fantastic opportunity for parents, carers, staff and children to spend the morning learning together, if this is not your child's usual session you may like to meet us at the farm for lots of spring themed activities.

Thank you to all the parents who were able to attend parents evening. If you were unable to attend, please ensure you book an appointment to discuss your child's progress and next steps of development.

Polite reminder

Pre-school starts at 9:00am, we kindly request that only children who are attending breakfast club come in before this time.

Many thanks for your support.

Best wishes,

Toyah and the Hopscotch Team
