Preist Lane, Pershore, WR10 1EB

**Friday 12th November 2021**

**Dear Parents and Carers,**

There has been a confirmed case of Covid 19 in Year 2 this week. This is just a short update to remind you of the current Government guidance.

"Individuals are not required to self-isolate if they live in the same household as someone with COVID-19, or are a close contact of someone with COVID-19, and any of the following apply:

- they are below the age of 18 years and 6 months"

Current guidance also states that primary school children should not be carrying out Lateral Flow Testing (LFTs): this is only a recommendation for secondary school pupils.

This means that the only action needed is to keep an eye out for any symptoms in your child. If they do exhibit symptoms, please book them a PCR test straight away and keep them off school until the result comes back. If it is negative they can come straight back to school. If it is positive they will need to isolate until the 11th day after the symptoms started.

Best wishes,

Christina Hall

(headteacher)
