**Tuesday 26th April**

## Dear Parents and Carers,

To help children with their Geography fieldwork skills, we have organised a trip for Year 4 and 5 to the Knapp and Papermill Reserve, on Wednesday 4th May. This trip is a key element of our Holy Redeemer Geography fieldwork curriculum, which Year 5 missed out on last year, due to school closures and Covid restrictions, which is why we are taking both classes this year.

We will be leaving school at 9.30am and returning in time for the end of the day, so your child will need a packed lunch. If your child would normally have a hot dinner, please contact the Deli to arrange a packed lunch instead.

Your child will need to bring wellies, waterproofs (trousers and coat), suitable clothing for the weather and a full change of clothes (including a pair of socks). The wellingtons need to be in a plastic bag as they will only be worn on site. Sun cream and sun hats should also be brought. The children will be going into the stream (no more than welly deep) and so wellies and waterproofs are essential. All activities are fully supervised.

The cost of the trip will be £8.00 per child (£5 session fee and £3 for transport) with payment by Friday 29th April.

Photographs will be taken during the session for school and the Worcestershire Wildlife Trust, for the promotion of their work and services, including on social media. Photos will not include children's names.

Please complete the online form if you want to opt out of photographs,

Kind regards,

Mr Hall and Miss Taylor
