**Monday 7th February**

## Dear Parents & Carers,

Next week (week beginning Monday 14th February 2022), Year 2 are having an Africa week! The children will learn about African countries, people, culture and animals. There will be a range of activities and below is a list of the key events happening throughout the week.

### 'Africa Week':

#### Monday 14th February -

Year 2 will begin their Africa Week with a visit from Wild Science Ltd (kindly funded by the PTA). They will be bringing a variety of small, friendly African animals for us to meet and learn about. This will help us build our inspiration and knowledge for our non-chronological reports that we will be writing in English in this week, and link to their African printing art unit.

#### Tuesday 15th February -

In PE Year 2 will learn an African dance and in Music they will continue to work on African drumming.

#### Wednesday 16th February -

DT Day! On this day we will be using a range of resources to design and create our own 'safari jeep' models.

GROW IN FAITH & LOVE

Thursday 17th February – Please send your child in bright-coloured clothes. We will be bringing all our learning together and sharing with parents the amazing work we have produced, in our ‘Africa Exhibit’, straight after school. Children will be dismissed as normal at the end of the day. If possible, please join your child in coming back into school to enjoy the exhibit. It is a great opportunity for your child to talk you through what they have learnt.

Un-Homework! – Please bring in your African animal model on Thursday 17th February ready for the African Exhibit. (More information is on your Un-Homework sheet.)

(Please note – Maths lessons will occur as normal during this week.)

Please let me know if you have any questions about our planned ‘Africa Week.’

Kind regards,

Miss Aumeer
