Preist Lane, Pershore, WR10 1EB

Monday 20th September 2022

Dear Parents,

In Geography this term, Year 3 will be studying the local area. As part of this, they will be comparing Pershore to Wyre Piddle.

A trip to Wyre Piddle has been organised to develop and support the children's knowledge.

They will be identifying and recording physical and human features, reading maps and sketching local features. This will help further their learning in class, where they will compare what they have found to Pershore.

The trip will be on Wednesday 21st and Monday 26th September. We will be utilising the School mini-bus, in order to keep down costs, so the class will go in two groups, with half of the class going on the Wednesday and the other half on the Monday. PE sessions have been reorganised so that the group that stays in school will be doing PE, so both groups will get the same learning opportunities.

The trip is within school hours and will not interfere with lunch. These dates are weather permitting, so may change, although we will likely go unless there are high winds, lightning, or very heavy rain.

We ask that your child please bring a coat with them suitable for cold/drizzly weather.

Any questions or queries, please feel free to contact myself.

Kind regards,

Mrs Brennan
(Class Teacher)
